

What if I need to cancel or reschedule an appointment?

- If you are unable to keep your appointment, please call our office at least 24 hours in advance to cancel your appointment @ 704-863-9830.
- If you do not show up for your appointment and did not call to cancel, this is considered as a “no show”. Because no shows are very disruptive to the practice, if you or someone within your household has 3 no shows in a 12 month period, we will unfortunately have to terminate you from Cabarrus Family Medicine and we may no longer be able to take care of your medical needs.
